**Count Me In!**  
A Census 2020 Project

**For the first time in our history, California may LOSE a seat in Congress.**

An incomplete count in the 2020 Census could cost California billions of dollars in federal funding and representation in Congress. You can help make sure this doesn't happen...

The Sacramento County Office of Education in partnership with the Los Angeles County Office of Education has developed curriculum modules at the 5<sup>th</sup>, 8<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grades designed to teach students about the US Census and get them excited to advocate for a complete count in 2020. Come to a FREE training in this curriculum to learn about how you can teach about the US Census without disrupting your schedule!

Participants will receive all curriculum modules and available resources!

Time: 8:30 am – 3:00 pm Cost: FREE
